MOBILE EYE SURGICAL UNIT
Dr. Varaprasad Reddy is Brand Ambassador of Sankara Nethralaya

Inspired by a speech by Pontiff of Kanchi Kamakoti Mutt he attended in 1974, Dr. S S Badrinath founded Sankara Nethralaya in Chennai in 1978 with the sole objective of providing world class eye care, free to the poor and affordable price to others. Sankara Nethralaya (SN) is a not-for-profit charity organization providing ophthalmic (eye) care throughout India.

For the last four decades, SN has treated millions of patients. Nethralaya also holds eye camps, school screenings and eye bank. One of the unique services is Mobile Eye Surgical Unit (MESU), only one of its kind approved by Government of India. These are operation theatres on wheels. MESU consists of two buses serving as operation theatre, go out remote villages, perform cataract surgeries on 150 to 200 patients over a two-week period and return to main campus after post-operative care.

Sankara Nethralaya USA team organized Meet ’n Greet Padma Bhushan awardee Dr. K.I. Varaprasad Reddy, Chairman Shantha Biotechnics Limited event in Atlanta on May 6th, 2023.

Your support for this noble cause of restoring the vision of indigent patients was greatly appreciated. Your generous contributions make a difference in someone’s life & give a lot of encouragement to the volunteers working for this noble cause.

Program started with Jyoti Prajwalan (Lighting the flame) from Chief Guest Padma Bhushan awardee Dr. Varaprasad Reddy and his wife Smt Vasanta, Mega donor Dr. Govinda Visvesvara, and Sankara Nethralaya team. After lighting the flame ceremony was completed, local artists from Nataraja Natyanjali, Sri Dutt Raaga Dance Academy, Six Strings, and other singers enthralled the audience with their classical dances and singing.

Our special thanks to Padma Bhushan awardee Dr. Varaprasad Reddy garu for gracing the event and enabling us with his support and guidance. Based on our interaction with him, we got the impression that he is VVIP – Virtuous Vaccine Immunization Person. If an Electronics Engineer can bring Hepatitis B vaccine to India with perseverance, we got the hope that we can eradicate preventable blindness from India with the same perseverance. We seek his guidance and blessings to accomplish this noble mission. When Sankara Nethralaya USA President Bala Indurti garu announced Dr. Varaprasad Reddy garu as Brand Ambassador for this noble cause, all attendees responded with a huge applause.
Getting unconditional support for this noble cause from a virtuous person gave a lot of encouragement to all the Trustees and Volunteers. Dr. Varaprasad Reddy garu appreciated the efforts of Sankara Nethralaya USA team in eradicating the preventable blindness from India. Dr. Reddy also praised Sankara Nethralaya for receiving 4 star from Charity Navigator and maintaining the status for the past several years. Dr. Varaprasad Reddy graced the venue with his wife Smt. Vasanta garu.

Thanks to Dr. Govinda Visvesvara Ji for his generous contribution to Sankara Nethralaya in memory of his parents. Sponsoring an entire floor in the hospital will help in restoring the vision of indigent patients in the coming years and decades.

Thanks to Film Director VN Aditya garu for your support. As we are getting a new MESU - Mobile Eye Surgical Unit to Hyderabad, your help in spreading the word about this noble cause in Telugu film industry will be greatly appreciated.

Thanks to Acharya Ji, founder of Sankara Nethralaya USA, 35 Trustees and hundreds of volunteers throughout the USA that are silently working behind the scenes to make a difference in someone’s life. Dr. Madhuri Namuduri conveyed Acharyaj’s message to the audience who could not make it in person.

Our president, Bala Indurti garu is leading from the front in expanding the footprint of this organization throughout the USA. For his contributions, Sankara Nethralaya conferred Sankara Ratna award. Sankara Nethralaya USA team is very happy for this well-deserved recognition to him. With his vast connections, we are able to expand Adopt-A-Village program and could restore the vision of thousands of patients. This program provided a conduit for many who want to serve the people in their native place.

Our Vice President, Moorthy Rekapalli coordinated with volunteers and community leaders to make the program successful. Moorthy is a longtime BIG donor to Sankara Nethralaya.

So many people helped to make the program successful.
